

# Prestigio DVR RR560 Firmware Update Guide

1. Put \*.bin file from unpacked .zip package to an SD-card, formatted in the device
2. Insert the SD-card into the switched off device
3. Updating procedure will start after a format request at the device screen will be confirmed.
4. Updating procedure will be finished with alert "step 5/6 100%" appears.
5. Reboot the device. The SD card has to be formatted before recording.
