1 Safety Instructions

Please observe all safety precautions before using Prestigio Nettop PC. Please follow all procedures outlined in this manual to correctly operate the device.

- Please keep the user manual for later reference.
- Please disconnect device from all connections before cleaning device. Do NOT use liquid or sprayed detergent for cleaning. Wipe device with Moisture sheet or cloth is recommended if cleaning is necessary.
- When connecting the device to the power outlet, please make sure the voltage of the power source matches to the requirement description indicated on the device.
- Please follow all cautions and warnings indicated on the device.
- Do NOT pour any liquid into case openings for it will cause fire or electrical shock.
- Do NOT disassemble the device. The device should only be disassembled by qualified service personnel.
- Should one of the following situations occurs, please consult with qualified service personnel to perform device inspection:
 - a. Liquid has entered into the device.
 - b. The device has been exposed to moisture.
 - c. The device does not function properly or does not power on as instructed in the user manual.
 - d. The device has been dropped and damaged.
 - e. The device has obvious signs of breakage.
- **DO NOT PLACE THIS DEVICE IN AN UNFAVORABLE CONDITIONED ENVIRONMENT. THE DEVICE MAY SUFFER FROM UNEXPECTED DAMAGE WITH THE STORAGE TEMPERATURE ABOVE 40°C.**

Warning: This mark indicates actions that could lead to serious injury to personnel operating the device or damage to the device if ignored or handled incorrectly.

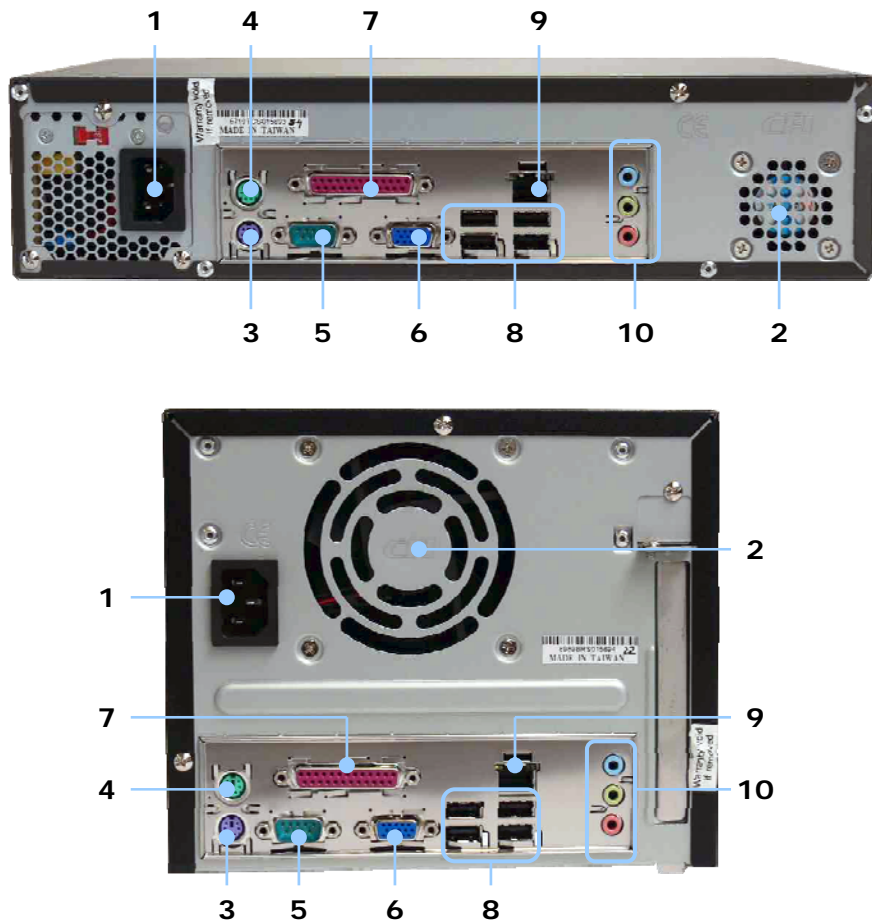

2 Package Contents

Before unpacking the device, please make sure that enough space is allotted to setup the device. Carefully unfold the carton box packaging and take out the box contents. The contents are listed as below:

1. **Prestigio Nettop PC X 1**
2. **USB/PS2 Keyboard X 1 (optional)**
3. **USB/PS2 Mouse X 1 (optional)**
4. **Power Cable X 1**
5. **Quick Installation Guide X 1**
6. **Drivers and Documentation CD(s)**

Please contact point of purchase immediately if any of the above mentioned items are missing or damaged.

3 Main Unit Views

1. 220V Power Socket
2. System Fan
3. PS/2 Keyboard Port (Purple)
4. PS/2 Mouse Port (Green)
5. Serial Port COM1
6. VGA Monitor Port
7. Parallel Port
8. Universal Serial Bus (USB) Port
9. RJ-45 (Ethernet) Port
10. Audio Input/Output Ports
 - Headphone Line-Out Socket (Green)
 - Audio Line-In Socket (Blue)
 - Microphone Socket (Pink)

4 System Connection

4.1 Power Connection

1. Insert power cable into the power cable socket located on the rear panel of the device.
2. Insert the other end of the power cable into a power outlet.

4.2 Monitor Connection
